

Nimrod Mayan

Full Stack Web Developer and Designer

Contact: 054-587-3199

About

- Experienced Web Developer. At the end of 2022, changed focus from WordPress and PHP to Full Stack JavaScript. Currently working mainly with React and its libraries.
- Currently programming as a freelancer (mainly in JS\React), but seeking full-time employment.
- Completed several full stack programming courses (see links to certificates below).
- Dedicating all available time (while not freelancing\job seeking) to further learning.
- Highly motivated, self-taught and **loves creating amazing things**.
- Portfolio - <https://www.mayandigital.co.il/dev>
